

KLBD UPDATE 4

22 JUNE 2026

CHANGES:

KLBD advice concerning **Wilton cake decorating** products remains as follows: *Many Wilton products are kosher certified and may be used if they bear a reliable hechsher.*

Please note that **some Wilton products sold in the UK, such as Meringue Powder and Candy Melts, which previously had a hechsher are no longer kosher certified or approved.** You are therefore advised to **check each product before every purchase** to make sure that they still have a reliable hechsher.

The following Bonilla Madagascan products are in the process of rebranding to **Vanilla Etc.** They are still certified **KLBD Parev** with logo:

- Vanilla Bean Paste
- Vanilla Extract Intense
- Vanilla Extract Pure

The following **Tiptree** products in **908g jars** are certified **KLBD Parev**, no logo. They available from Costco. Other sizes and other products in the range remain certified as previously.

- Marmalade Orange Old Times
- Conserve Raspberry
- Conserve Strawberry

Heinz Seriously Good Light Mayonnaise is now called **Heinz Light Mayo.** It is still certified **Parev** by Manchester Beth Din and bears the MK logo.

Only packets of ready-made Proper Popcorn Sea Salted and Proper Popcorn Sweet & Salty are certified KLBD Parev. **Proper Microwave Popcorn in boxes is not approved.**

Tango Sugar Free Apple and Orange have rebranded to **Tango Zero'd.** They are still approved Parev.

Please note that **Onken Cherry Yoghurt** contains grape juice and is therefore **Not Kosher.** Other varieties would be approved if they fall under our general guideline for yoghurts. See isitkosher.uk/#yoghurts.
