KLBD UPDATE 5

28 JULY 2026

CHANGES:

Please note that whilst other varieties remain certified as previously, new variety **Love Corn Cheddar** is **Not Kosher**. For a full list of certified products see isitkosher.uk/#love%20corn.

Please note the highlighted **changes** to our guideline for **Canned Fish**:

Reputable brands of kosher species of fish, canned in brine, water or vegetable oil are generally permitted.

Products known to be manufactured on lines used for non-kosher products are listed as Not Kosher. It is advisable to avoid products bearing an allergen warning relating to shellfish, crustaceans or molluscs.

Some bottles of **Thistly Cross Cider** have been **mislabelled** with a KLBD logo but they are **not certified or approved**.
